Mrs C	The opportunity to expand horizons in all directions due to the building of confidence, skills and creative thinking - all whilst having fun!
Mrs S	Means to the S's.... a chance for people to be who they are with no judging Xx
Mrs C	BOS gives my girls the chance to have fun and gain lots of self confidence just by being them, they love it, especially the show and weekly games xx
Master B	I have been at BOS for nearly 8 years and it means that I can be myself without caring what anyone thinks of me and is a great way to meet new people and improve my technique in acting and giving people the chance to be on stage and experience theatre.
Mrs D	Making a very anxious 9 year old smile when I say it's BOS today 🙌
Mrs D	It gave my child the confidence to shine in a safe, caring and supportive environment...
Mrs M	This is what I say to all my friends (who have now joined!) but I'm not sure it's a sentence! BOS is amazing, it's not a clone factory turning children into future reality tv "stars", the teacher is able to spot their uniqueness, make the child feel amazing about it and before you know it their self confidence has doubled and they are on stage belting out one liners and busting dance moves! It's the best after school class I've found and the only one we've stayed with year after year.
Miss AM Miss EM	A: "I like drama, but when I go up on stage I go like.... bursts into a cocky accent and dances about saying "ello everybody I'm 'ere" and I get to the front of the stage....continues dancing about for the next 5 minutes. E: "I like drama because every year you get to do a different show and it's very exciting. One of you gets a trophy for doing their best and I feel proud of myself."
Mrs F	A friendly and fun confidence builder for boys and girls of all abilities and ages. x

Ms P	"Being part of something special" "Watching children encouraged to grow with confidence and determination to succeed" - As I have two at BOS I was being greedy! Lol x
